President's Corner

It's finally August and time for SWAT (August 24 -26) in Waco. I'm looking forward not only to the demonstrations, gallery, and vendor area, but also to enjoying fellowship with old and new woodturnings friends. If you missed the on-line registration deadline, "at-the door" registration is available for one or all days. Since SWAT is an all-volunteer organization, please considering volunteering some of your time to help at the symposium. If you would like to help, please contact either Steve Green or Marcia Tolly.

The August President's Challenge is Beads of Courage Boxes. If you are

unable to complete your box before the meeting, there is still time to make one before SWAT or before the club delivers them to the children.

2019 club officers will be elected at the November meeting. If you are interested in being a candidate, please let me or one of the other officers know.

The second American Youth Works pen turning session will be the afternoon of August 31st.

Turn safely and enjoy your creations.

Dwight

BOC Delivery

On Tuesday 11 September, We will be delivering the Beads of Courage Boxes that members of the CTWA have made for sick children.

We will be meeting at the Strictly Pediatrics Children's Hospital which is on the old Robert Muller airport.

The Address is 4900 Muller Blvd. or now Barbara Jordan Blvd. Park in the parking garage behind the hospital. Bring your parking stub and we may be able to get that validated for free parking.

We will meet at 10:00 down in the lobby area, then take the BOC boxes up to the staff. There may or may not be children present and that depends on what is happening with the children during the day.

The American Association of Woodturners is dedicated to providing education, information, and organization to those interested in Woodturning; In keeping with the standards of our national organization, the Central Texas Woodturners association hereby gives permission for all woodturning chapters, organizations, magazines, and newspapers to use any materials contained herein for the benefit of all woodturners everywhere. We ask credit be given to the source of the material.

Meeting Notes

Marvin Fletcher and Ron Primrose were visitors at our meeting.

Thanks to Johnny Tolly for stepping up at the last minute and presenting a demonstration of bowl turning and bowl design. He did a great job of sharing some his knowledge and skills accumulated over years of turning. Look for photos later in the newsletter.

There are no detailed notes available for the meeting.

Membership in CTWA

We welcome NEW MEMBERS to join our band of merry turners anytime. An interest in woodturning is the only requirement. Dues are \$35/year, prorated \$3/month for new members. \$45/year for a family membership.

With your membership, whether you are experienced or a novice, we will teach you, or learn from you. You will build long-lasting friendships based on a common kinship of matching wood, metal, machine, and man or woman as the case may be.

CTWA members are also encouraged to join the American Association of Woodturners (AAW). AAW provides an extensive resource for articles, tips, and videos for all areas related to woodturning. AAW dues are General \$60 (\$50 for online); Family \$65 includes up to 3 family members in the same household. Visit the AAW website at www.woodturner.org for full details and membership form.
